*Empowering the students towards  
Ebullient Engineers for the benefit*

#### Vision:

To transform the individuals into globally competent electrical and electronics engineers to realize technological needs of the society and to develop the department into an ideal education and research center.

#### Mission:

**Mission1:** To impart high quality education and enhance students' skills to meet the present needs by introducing concurrent trends in curriculum and through collaborative industry institution interaction.

**Mission2:** To share and disseminate expertise for use in the solution of problems faced by electrical & electronics engineering and by the society.

**Mission3:** To mould the students into responsible citizens with social, ethical and environmental awareness.

**Dr. K. Sri Gowri**

**Professor & Head**

#### About EEE:

The Department of EEE at G. Pulla Reddy Engineering College (Autonomous) was established in 1994 with an intake of 60. The intake was increased to 120 from 2008 and is affiliated to Jawaharlal Nehru Technological University, Ananthapur, Ananthapuramu.

The Department aims at imparting high quality technical education in the area of Electrical and Electronics Engineering. Apart from an under graduate course, the Department is also offering one Post Graduate Program with specialization in Power Electronics with an intake of 18 since 2004. The Department seeks to shape its graduates into critical, original and independent thinkers sufficiently equipped with the necessary tools to venture out into the practical world with

professional competency, who can add to the body of scientific knowledge. It was accredited by NBA four times, first in the year 2005, then in 2008 and also in 2013 and again in 2017 as per new changes in NBA. Also the department is recognized as Research centre by JNT University Ananthapur and full time PhD course is offered from 2013-2014 academic years onwards.

The department has a strong pool of faculty with 15 Ph.D.'s and 9 M.Tech's. It boasts of having highly qualified faculty with an unparalleled level of expertise in their respective fields. Break up of teaching staff is 4 Professors, 10 Associate Professors and 10 Assistant Professors. The sheer expertise and dedication of the faculty members along with infrastructural facilities coupled with perseverance of the students have catapulted the branch to the top league. Active research is going on in the areas of Electric vehicles, Renewable energy sources, Power Systems, Power Electronics & Drives and Control Systems.

## *Department Achievements/Workshops/Conferences Organized*

S.No	Name of the Faculty	Title of the Award/Fellowship Received	Year of Award	International // State / National University level	Name of the Agency or Body granting the award/Fellowship
1	Dr. T Bramhananda Reddy	Ph.D Supervision for Sri. Siva Kumar of AITS, Tirupathi	2023	State level	JNTUA, AP
2	Dr N. Ravi shankar Reddy	Ph.D Supervision for Sri Nagaraju	2023	State level	JNTUA, AP
3	Dr. C. Harinatha Reddy	Nominated to attend IEWEE Region 10 SYWLC congress which was held at Jeju Island South Korea during 11 <sup>th</sup> -15 <sup>th</sup> August 2022.	2022	International	from IEEE Hyderabad Section
4	Sri B V Arun Kumar	Received Ph. D Degree	2022	State level	SV University, Tirupathi
