

Action plan for Department Association Activities.

1. Conducting various events for students of both sections **A** and **B** during the free hours in order to inculcate the competitive spirit among them so that a conducive atmosphere will be created for the overall development of students.
2. Formation of different student committees to organize **four major activities i.e. Technical, Sports, Cultural and Literary events.**
3. Formation of **Association body** for execution of association activities.
4. Preparation of **Association activities calendar** for the entire academic year.
5. Formation and strengthening of department **Alumni association.**
6. **Awarding points for the students** will be based on the performance of the students in different activities organized at various levels.. The following are the guidelines for Points calculation.
 - ✓ **1** point for participating and **2** additional points for winning in any competition organized by the dept association or any professional associations of the college.
 - ✓ **2** points for participating and **4** additional points for winning in any competition organized by any private college within our country.
 - ✓ **4** points for participating and **8** additional points for winning in any competition organized by universities.
 - ✓ **8** points for participating and **16** additional points for winning in any competition organized by Premier institutes such as IISc, IITs, NITs. etc
 - ✓ If a student achieves **good rank** in any competitive exam like **GATE, GRE, CAT, MAT, TOEFL** etc. then the following are the points awarded to the student.
 - **50** points for a **rank<100**
 - **20** points for **100<rank<1000**
 - **10** points for **qualifying in the exam.**
 - ✓ If a **student is placed** during the campus placement in that academic year then **100 points** will be awarded.
 - ✓ If a student achieves **1st** position in academics in **any semester** in their class then **10** points will be awarded and if the student is **top among both sections** then additional **20**

points will be added. Also if the student is **college topper** then **50** points will be awarded.

10. When **any student achieves highest points** at the end of academic year, **Association Championship award** will be given **for that student** during the valedictory function of the association.

11. Whenever a student achieves **top positions during dept level competitions, college level competitions and even in inter college level competitions**, some sort of **appreciation** (like distributing appreciation certificates, flexi put ups in the campus etc. should be done through Dept Association and also from the management.

12. Selecting one orphan school or old age home/respite home once in a semester and giving **helping hand** to them and also conducting **awareness campaigns** related to health, education for all, pollution and also any other societal related problems for the people so that the students may become **good future citizens** of our country.

Note:

1. The above 6th action plan will be an encouragement for a student to get motivated and participate in the events organized by various Associations, societies and definitely successful results come out at the end.

2. Also the above mentioned 10th point will definitely boost the morale of the student and he/she may come forward to participate and win more prizes and brings laurels to the college.
